## Product Description

### Food stainless steel 100mm meat cutting machine round blades

#### Products Description:

The blade is used for cutting meat, e.g. kebabs, kebabs and shawarma. We focus on quality and durability, the numbers (100/120/140) refer to the circumference of the round blade in millimeters.

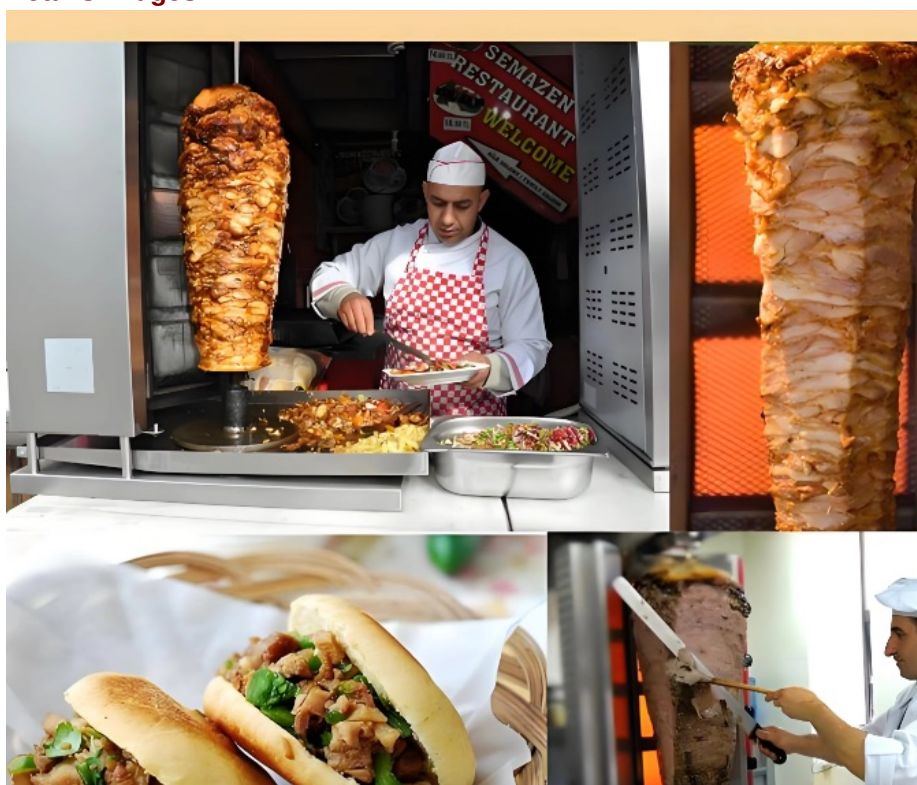

High quality, good blade and clean cuts. Makes the work of the electric kebab slicer easier and ensures that the meat is cut to an even thickness.

We are at your service even after the purchase. We are a direct manufacturer and we always have all spare blades in stock.
